

# mango tree

Using the very finest ingredients, the restaurant serves authentic Thai dishes from each of the four main culinary regions: rich and mild dishes from the North, spicy food from the East, mild dishes from the Central region, and hot and spicy food from the South.

Mango tree, situated in the heart of Belgravia, close to Buckingham palace, is a part of London that will be forever Thailand. Like its original branch back in Bangkok, the restaurant offers exquisite Thai cuisine in a modern, stylish venue.

The spacious, welcoming interior is carefully lit, reminiscent of the restaurants in Thailand and has been feng-shui designed to enhance the dining experience. Guests will appreciate the traditional Thai service and world-renowned hospitality.
